How to edit this

Pk cool

I need some more audit

Can I add later

: Let me see

Rota it doesnt say how many hours per week they do

I got job description that needs to be added but that different for each job

What can we do?

- Invitation for Interview letter needs to be added
- successful interview

Document 1 :- interview invitation body

Address of home: Swan Care Home,
29 North Street,
Tillingham,
CM0 7TR

Telephone: 01621 779171

Our ref: 001

Date: 20/10/2025

Dear

Position applied for Health Care Assistant

Thank you for your application for the above mentioned position, I am pleased to confirm that you have been short listed for an interview.

The interview will be held on 24th October 2025 at 11.00am. Interviews will be held at Swan Care Home.

The interview will last approximately 1 hour and the panel will consist of *Dursha K* and *Johanna E*.

I would be grateful if you would confirm whether or not you are able to attend the interview by contacting myself on dursha@ascareservices.co.uk

Please let us know if you have any special requirements in order to attend and take part in the interview.

You are encouraged to visit the home prior to the interview and you can arrange this with us at a mutually convenient time.

Thanking you in anticipation.

Yours sincerely

Dursha Krishan
Director of Swan care home.

5 North Street,
CM0 7TR

17th March 2026

Dear Nathan,

Offer of employment Letter

We would like to confirm our offer to you our offer of appointment as a Health Care Assistant and to confirm the principal terms of your appointment.

This offer is subject to the Company receiving two job reference(s) and 1 character reference(s) which are deemed to be satisfactory. Please confirm the names and addresses of the referees from whom the references can be taken, and that we are free to write to them.

Your employment shall be subject to an initial probationary period of 6 months during which time your performance and conduct will be monitored.

This offer is also subject to you providing relevant documents to the Company proving your legal right to work in the UK. On your first day, you should bring your passport (and other documentation, if necessary) and P45. Copies will be taken of these documents for our records.

You will initially be employed at Insert; AIRAA SWAAN LTD at 29 North Street, CM0 7TR

Your commencing salary will be £12.21 per hour payable 3rd of each month in arrears by BACS.

The other terms and conditions of employment are set out in your Terms and Conditions of Employment. The Terms and Conditions of Employment, along with this Offer Letter, will form your contract of employment.

Please sign and date both copies of this Offer Letter and both copies of the enclosed Terms and Conditions of Employment where indicated, to confirm that you understand and accept the terms and conditions. Please keep one signed copy of the Terms and Conditions of Employment and one signed copy of this Offer Letter for your reference and return one signed copy of each document to us as soon as possible.

When writing, please could you confirm the date on which you are free to commence employment with us. We understand this date to be 19th March 2026. At the same time, please advise us of any medical conditions, allergies, disabilities etc. of which we should be aware.

If you have any questions concerning the terms of our offer please let us know as soon as possible and we will do all we can to ensure they are answered.

We look forward to your reply and look forward to welcoming you to the Company.

Yours sincerely

Dursha Krishan
Director of AS Care

I accept the employment terms set out in this Offer Letter and the enclosed Terms and Conditions of Employment.

Signed:

Nathan Thomas

Document 4:- HCA Lead JOB DESCRIPTION

AIRAA SWAAN LTD HCA Lead JOB DESCRIPTION Job Summary: As a Health Care Lead, you will provide compassionate, person-centred care to elderly residents, many of whom may have dementia, limited mobility, or complex care needs. You will support individuals with personal care, meals, mobility, activities, and emotional wellbeing—always promoting dignity, independence, and respect. Working as part of a dedicated care team, you'll help create a safe, comfortable, and homely environment, contributing to residents' overall quality of life. You play a critical role in supporting the care team, ensuring high-quality resident care, and maintaining accurate and timely documentation. You act as a key link between the management and care staff, providing leadership, guidance, and support. Key Responsibilities: Team Leadership & Support: o Supervise and support Health Care Assistants (HCAs) in delivering compassionate, person-centred care. o Provide training, coaching, and mentorship to HCAs, fostering a positive and professional working environment. o Assist with staff scheduling and shift cover arrangements as needed. • Documentation & Compliance: o Ensure HCAs complete all required

paperwork accurately, comprehensively, and within set timeframes. o Support the manager with administrative duties, including care plans, audits, and compliance reports. o Monitor and review care records and PCS system entries to ensure quality and accuracy. o Conduct regular spot checks and audits on care documentation and care delivery standards. o Identify and report any inconsistencies, omissions, or concerns promptly to management. • Quality Assurance & Improvement: o Promote adherence to all company policies, health and safety regulations, and best practice guidelines. o Participate in care plan reviews and quality improvement initiatives. o Support incident reporting procedures and follow up on action plans to prevent recurrence. • Communication & Coordination: o Act as a communication bridge between care staff, management, residents, and families. o Facilitate team meetings, handovers, and training sessions. o Address any concerns raised by staff or residents professionally and escalate when necessary. • Resident Care Oversight: o Oversee the delivery of personalised care to residents, ensuring dignity, respect, and independence are upheld. o Support and assist with complex care needs when required. o Monitor residents' wellbeing and report any changes to the nursing or management team promptly. • Additional Duties: o Assist with the preparation and implementation of decorations or activities for special occasions. o Support housekeeping and environmental standards within the care home. o Perform any other duties as assigned by the manager to support the smooth running of the service. AIRAA SWAAN LTD HCA Lead JOB DESCRIPTION 1. Personal Care & Support • Assist with washing, dressing, toileting, grooming, and oral hygiene • Ensure each resident has at least one bath weekly, maintaining privacy and dignity • Support safe mobility and transfers using appropriate equipment (hoists, wheelchairs, etc.) • Provide a minimum of 30 minutes of personalised 1:1 time daily with each resident • Uphold dignity, respect, and individual choice in all care interactions 2. Monitoring, Documentation & Communication • Monitor and report any changes in residents' physical, emotional, or mental condition promptly • Maintain accurate records of care delivered and update care plans accordingly • Read, understand, and follow care plans to ensure personalised care delivery • Record feedback from families and professionals monthly, taking follow-up action as required • Administer medication as prescribed and maintain 100% accurate records 3. Nutrition & Mealtime Support • Assist with meal preparation and support residents with eating and drinking • Encourage social interaction by supporting dining in communal areas during all mealtimes • Ensure cleanliness of kitchen and dining areas after every meal • Alert kitchen staff when items run low and help maintain the shopping list 4. Activities & Mental Wellbeing • Use the activity book to plan, deliver, and record a variety of daily stimulating activities • Encourage participation in games, music, arts, exercise, and conversation • Support outdoor activities, such as walks, to promote physical and emotional health 5. Housekeeping & Home Environment • Perform regular cleaning, laundry, and tidying duties to maintain hygiene and comfort • Immediately respond to spills or accidents to maintain dignity and safety • Ensure bathrooms and communal areas are always clean and well-maintained • Conduct 15-minute safety checks to ensure all residents are safe and accounted for • Maintain gardens and outdoor areas, and manage bin collection days • Assist with cooking or other domestic tasks when required 6. Teamwork & Conduct • Collaborate with team members and cover shifts during sickness or leave • Attend and complete all required training and refreshers on time • Proactively request training or support if unsure about any task • Follow all company policies, including health & safety procedures • Ensure staff take scheduled 20-minute breaks during shifts • Maintain professional boundaries—no personal mobile phone use during shifts (except during breaks or for authorised resident photos); emergency landline use permitted • Report hazards, maintenance issues, or concerns to management immediately 7. Documentation & Communication • Ensure all day/shift paperwork is completed accurately and on time • Record in PCS system at shift handover: "No issues, all residents' items and belongings are there." • Report any missing belongings, maintenance issues, or concerns before end of shift AIRAA SWAAN LTD HCA Lead JOB DESCRIPTION • Conduct audits and complete any necessary paperwork to maintain compliance and quality standards. • Ensure all night shift paperwork is completed accurately and on time. • Record in PCS system at shift handover: "No issues, all residents' items and belongings are there." • Report any missing belongings,

maintenance issues, or concerns before the end of the shift. Additional Requirements • Annual leave requests must be submitted at least 3 weeks in advance (except in emergencies) • Only one staff member may be on annual leave at a time • Staff must check and report any missing resident belongings at the start and end of each shift • It is your responsibility to report missing items—failure to do so may result in accountability • All shift handovers must include documentation on the PCS system noting: "No issues, all residents' items and belongings are there." • Support kitchen staff by monitoring stock and reporting when items run out • Flexibility in working patterns is essential; staff must be available for any assigned shift • All absences must be reported immediately—not at shift start Night Shift Duties (Additional Responsibilities) Night staff are responsible for ensuring the home is clean, safe, and well-prepared for the following day. Key duties include: • Clean worktops, cupboards (outside), and dining area (tables & chairs) • Dispose of expired food from fridge and freezer • Clean all pressure cushions and chair cushions • Deep-clean conservatory, office, downstairs toilet and bathroom • Mop kitchen, conservatory, lounge, and bathrooms • Wash, dry, iron and put away all laundry by morning • Wake at least 4 residents using double hoists, or half the residents if no hoists required • Complete all night staff documentation before end of shift Kitchen & Food Safety • Check all food items in the fridge and freezer for expiry dates; dispose of any out-of-date items • Ensure all opened food items are clearly labelled with the date they were opened • Label any unlabelled items with the correct date if known • Clean the inside of the fridge and freezer as needed • Wipe down all kitchen worktops and the outside of cupboards • Check kitchen stock levels and inform relevant staff or note items that need restocking Resident Care & Preparation • Wake and support at least 4 residents using double hoists (if present), or wake half the residents if no double hoist users • Complete and document all required care tasks, maintaining accurate night shift paperwork Cleaning Responsibilities AIRAA SWAAN LTD HCA Lead JOB DESCRIPTION • Clean and disinfect pressure cushions and chair cushions (remove and wipe down) • Clean dining area: wipe all tables and chairs thoroughly • Mop all downstairs floors: kitchen, conservatory, lounge, toilet, and bathroom • Wipe down the conservatory surfaces and office area • Clean and sanitise the downstairs toilet and bathroom Laundry & Clothing • Wash, tumble dry, and iron all resident clothing • Ensure all clean laundry is folded, sorted, and put away in the morning Name: Haritha Sasidharan Date: 16/01/2026 Signed: Approved by: Date: Signed: AIRAA SWAAN LTD HCA Lead JOB DESCRIPTION

document 5:- COOK JOB DESCRIPTION

AIRAA SWAAN LTD COOK JOB DESCRIPTION Job Summary: As a Care Home Cook, you are responsible for preparing nutritious, balanced, and enjoyable meals that meet the dietary needs of elderly residents, including those with dementia, swallowing difficulties, or specific medical conditions. You will ensure all meals are cooked to high standards of food safety, hygiene, and presentation, contributing to a comfortable and homely mealtime experience. You will also manage kitchen cleanliness, stock control, and support any dietary planning in coordination with care and nursing staff. Key Responsibilities 1. Meal Preparation & Service • Prepare and cook daily meals (breakfast, lunch, dinner, snacks) in line with the planned menu. • Ensure meals cater for a range of dietary requirements including soft/pureed diets, diabetic, low-salt, vegetarian, and allergy-specific needs. • Ensure portion control, presentation, and food temperatures are appropriate. • Support residents' mealtime experience by being flexible and accommodating to individual preferences where possible. 2. Hygiene & Food Safety • Maintain high standards of kitchen cleanliness in accordance with food hygiene regulations (HACCP, Food Standards

Agency). • Complete and maintain daily kitchen records, including temperature checks (fridge, freezer, cooked food, etc.). • Ensure proper food storage, labelling, and rotation of stock (FIFO – First In, First Out). • Clean all cooking equipment, work surfaces, and kitchen areas regularly and thoroughly. 3. Menu Planning & Nutrition • Follow the home's agreed menu plan, and adapt menus as needed to accommodate residents' health and dietary needs. • Contribute ideas for seasonal or themed menus (e.g., holidays, birthdays, or cultural events). • Communicate with care staff about any resident dietary changes or concerns. 4. Stock Control & Ordering • Monitor kitchen supplies and notify the manager when items are running low. • Accept and check deliveries, ensuring quality, freshness, and proper storage. • Keep records of food usage and waste for budgeting and compliance. • Weekly shopping orders 5. Teamwork & Communication • Work collaboratively with care staff to ensure residents' dietary needs and preferences are met. • Liaise with external agencies (e.g., environmental health officers, dietitians) when required. • Support kitchen assistants (if applicable) and help train new staff. 6. Health & Safety • Adhere to all health & safety procedures including safe use of kitchen equipment and proper handling of cleaning chemicals. • Report any equipment faults, accidents, or food safety concerns to the manager immediately. AIRAA SWAAN LTD COOK JOB DESCRIPTION Kitchen paperwork 1.

Temperature Checks • Fridge & Freezer Temperatures: o Record twice daily (morning and afternoon). o Ensure fridges are between 1–5°C and freezers are at or below -18°C. o Report and log any deviations immediately. • Cooked Food Temperatures: o Record food temperature before serving (must reach a minimum of 75°C for hot food). o Use a calibrated probe and sanitise before and after each use. 2. Food Labelling & Storage • Opened Food Labelling: o Label all opened items with the date they were opened and use-by date. o Follow the "Use Within" guidance for each item (e.g., 2 days for cooked meats). Daily Out-of-Date Food Check Procedure Purpose: To ensure that all food stored in the kitchen is safe for consumption, within its use-by or best-before date, and compliant with food hygiene regulations.

Procedure: 1. Check All Storage Areas Daily • Fridges • Freezers • Dry food cupboards • Snack drawers or medicine fridges (if applicable) 2. Identify & Remove: • Any food past its use-by date – must be discarded immediately. • Food that is not labelled with an open date – label or discard if date is unknown. • Check best-before dates on dry goods – discard only if quality is compromised. • Check for spoiled, damaged, or mouldy items. • Daily Fridge Check Sheet: o Check for expired or spoiled food. o Log items disposed of and reason for disposal. 3. Cleaning Records • Daily Cleaning Schedule: o Tick off tasks as completed (e.g. worktops, appliances, bins, floors, etc.). o Include initials and time of completion. • Deep Cleaning Schedule (Weekly/Monthly): o Document when and what was cleaned (e.g. oven, extractor fans, behind appliances). o Sign and date by person responsible. 4. Delivery & Stock Records • Delivery Check Log: o Record date and time of delivery. AIRAA SWAAN LTD COOK JOB DESCRIPTION o Check quality, temperatures, and use-by dates of delivered items. o Note any rejected items or shortages. • Stock Rotation Log: o Record weekly stock checks. o Ensure items are used in "First In, First Out" order (FIFO). 5. Waste Records • Food Waste Log: o Record amount and type of food wasted and the reason (e.g., surplus, spoiled). o Helps with budgeting and identifying recurring issues. 6. Maintenance & Safety Checks • Equipment Fault Log: o Report and record any faulty kitchen equipment immediately. o Include date reported, issue, and who was informed. • Pest Control Log (if applicable): o Document any sightings or concerns and actions taken. o Record regular pest control visits and outcomes. Important Notes • All records must be kept accurately and legibly. • Paperwork should be readily available for inspections by management or Environmental Health. • Staff responsible for kitchen paperwork must be trained and understand food hygiene compliance. Acknowledgement & Agreement I confirm that I have read and understood the contents of this job description. I agree to carry out my duties as outlined, follow company policies and procedures, and uphold the standards and expectations of the organisation. Document 6:- carol DOMESTIC JOB DESCRIPTION

Job Purpose

To maintain a clean, safe, and welcoming environment for residents, staff, and visitors, and to prepare nutritious, well-presented meals according to residents' dietary needs. The Domestic Assistant / Cook ensures all paperwork and compliance requirements are met, supports the smooth running of the care home, and is flexible to assist with tasks on short notice. Duties include general housekeeping, cooking, laundry, gardening, and ad hoc tasks as directed by management.

Key Responsibilities

1. Cleaning & Housekeeping

- Clean residents' rooms, communal areas, bathrooms, corridors, offices, and kitchen areas according to schedule.
- Clean windows, kitchens, and other areas as required.
- Respond promptly to **any mess made by residents**.
- **Empty bins, wash bins if necessary, and move bins to front/back on collection days.**
- Maintain high standards of hygiene, tidiness, and infection control.
- Perform deep cleans as needed.
- **Complete all cleaning records, checklists, and compliance paperwork** accurately and on time.
- Undertake **ad hoc tasks as directed by management** to support care home operations.

2. Laundry

- Wash, dry, iron, and store residents' clothing and household linen.
- Ensure personal items are labelled and returned correctly.
- Maintain laundry area cleanliness and organisation.
- Record laundry cycles and temperatures as required.

3. Cooking & Kitchen Duties

- Prepare and cook meals according to menus and residents' dietary needs.
- Adapt meals for specific requirements (e.g., soft diets, diabetic, vegetarian).
- Ensure meals are nutritious, well-presented, and served on time.
- Maintain kitchen hygiene and follow **food safety procedures**, including temperature logs, stock rotation, and delivery checks.
- Assist with menu planning and food ordering as required.

4. Gardening

- Carry out basic gardening duties to maintain the care home grounds (e.g., watering plants, mowing lawns, tidying flower beds).
- Ensure garden areas are safe, tidy, and welcoming for residents and visitors.

5. Paperwork & Compliance

- Complete all required **cleaning, kitchen, laundry, gardening, and safety documentation**.
- Maintain records to comply with CQC, Environmental Health, and internal audits.
- Support the Care Home Manager in maintaining overall compliance.

6. Teamwork & Flexibility

- Work collaboratively with care staff to meet residents' needs.
- Assist during mealtimes, tidying, or other duties when required.
- Be prepared to **help out on short notice** in any area of the home to support residents and staff.
- Attend staff meetings and training as required.

7. Health, Safety & Infection Control

- Follow all health, safety, and infection control procedures.
- Wear PPE appropriately.
- Participate in fire drills, audits, and safety checks.
- Report hazards, accidents, or risks immediately.
- Maintain confidentiality and respect residents' dignity at all times.

 - Use the activity book to plan, deliver, and record a variety of daily stimulating activities
 - Encourage participation in games, music, arts, exercise, and conversation
 - Support outdoor activities, such as walks, to promote physical and emotional health
- 5. Housekeeping & Home Environment**
 - Perform regular cleaning, laundry, and tidying duties to maintain hygiene and comfort
 - Immediately respond to spills or accidents to maintain dignity and safety
 - Ensure bathrooms and communal areas are always clean and well-maintained
 - Conduct 15-minute safety

checks to ensure all residents are safe and accounted for • Maintain gardens and outdoor areas, and manage bin collection days • Assist with cooking or other domestic tasks when required

6. Teamwork & Conduct

- Collaborate with team members and cover shifts during sickness or leave
- Attend and complete all required training and refreshers on time
- Proactively request training or support if unsure about any task
- Follow all company policies, including health & safety procedures
- Ensure staff take scheduled 20-minute breaks during shifts

AIRAA SWAAN LTD HCA JOB DESCRIPTION

- Maintain professional boundaries—no personal mobile phone use during shifts (except during breaks or for authorised resident photos); emergency landline use permitted
- Report hazards, maintenance issues, or concerns to management immediately

7. Documentation & Communication

- Ensure all day/shift paperwork is completed accurately and on time
- Record in PCS system at shift handover: "No issues, all residents' items and belongings are there."
- Report any missing belongings, maintenance issues, or concerns before end of shift
- Conduct audits and complete any necessary paperwork to maintain compliance and quality standards.
- Ensure all night shift paperwork is completed accurately and on time.
- Record in PCS system at shift handover: "No issues, all residents' items and belongings are there."
- Report any missing belongings, maintenance issues, or concerns before the end of the shift.
- Promote adherence to all company policies, health and safety regulations, and best practice guidelines.
- Participate in care plan reviews and quality improvement initiatives.
- Support incident reporting procedures and follow up on action plans to prevent recurrence

Additional Requirements

- Annual leave requests must be submitted at least 3 weeks in advance (except in emergencies)
- Only one staff member may be on annual leave at a time
- Staff must check and report any missing resident belongings at the start and end of each shift
- It is your responsibility to report missing items—failure to do so may result in accountability
- All shift handovers must include documentation on the PCS system noting: "No issues, all residents' items and belongings are there."
- Support kitchen staff by monitoring stock and reporting when items run out
- Flexibility in working patterns is essential; staff must be available for any assigned shift
- All absences must be reported immediately—not at shift start

Night Shift Duties (Additional Responsibilities)

Night staff are responsible for ensuring the home is clean, safe, and well-prepared for the following day. Key duties include:

- Clean worktops, cupboards (outside), and dining area (tables & chairs)
- Dispose of expired food from fridge and freezer
- Clean all pressure cushions and chair cushions
- Deep-clean conservatory, office, downstairs toilet and bathroom
- Mop kitchen, conservatory, lounge, and bathrooms
- Wash, dry, iron and put away all laundry by morning

AIRAA SWAAN LTD HCA JOB DESCRIPTION

- Wake at least 4 residents using double hoists, or half the residents if no hoists required
- Complete all night staff documentation before end of shift

Kitchen & Food Safety

- Check all food items in the fridge and freezer for expiry dates; dispose of any out-of-date items
- Ensure all opened food items are clearly labelled with the date they were opened
- Label any unlabelled items with the correct date if known
- Clean the inside of the fridge and freezer as needed
- Wipe down all kitchen worktops and the outside of cupboards
- Check kitchen stock levels and inform relevant staff or note items that need restocking

Resident Care & Preparation

- Wake and support at least 4 residents using double hoists (if present), or wake half the residents if no double hoist users
- Complete and document all required care tasks, maintaining accurate night shift paperwork

Cleaning Responsibilities

- Clean and disinfect pressure cushions and chair cushions (remove and wipe down)
- Clean dining area: wipe all tables and chairs thoroughly
- Mop all downstairs floors: kitchen, conservatory, lounge, toilet, and bathroom
- Wipe down the conservatory surfaces and office area
- Clean and sanitise the downstairs toilet and bathroom

Laundry & Clothing

- Wash, tumble dry, and iron all resident clothing
- Ensure all clean laundry is folded, sorted, and put away in the morning

Name: JOEL JOSE Date: 19 January, 2026 Signed: Approved by: Date: Signed: AIRAA SWAAN LTD HCA JOB DESCRIPTION

The Care Home Manager is responsible for the overall management, leadership, governance, compliance, and day-to-day operation of the care home. The Manager will ensure that residents receive safe, effective, caring, responsive, and well-led care in accordance with CQC Fundamental Standards, company policies, and relevant legislation.

Key Responsibilities

1. Leadership and Management

- Provide visible leadership across the service.
 - Promote a positive, open, and supportive culture.
 - Lead by example and uphold company values.
 - Ensure all staff understand their roles and responsibilities.
 - Manage staffing levels to ensure residents' needs are met safely.
 - Conduct regular staff meetings and team briefings.
 - Manage staff performance and accountability.
 - Support staff development and succession planning.
 - Ensure effective communication throughout the service.
-

2. Resident Care and Quality Assurance

- Ensure residents receive safe, effective, person-centred care.
 - Monitor care plans, risk assessments, and daily records.
 - Ensure residents' preferences, wishes, and dignity are respected.
 - Oversee admissions, assessments, reviews, and discharges.
 - Ensure residents and relatives are involved in care planning.
 - Monitor incidents, accidents, complaints, and safeguarding concerns.
 - Ensure lessons learned are implemented.
 - Promote positive outcomes and quality of life for residents.
 - Complete regular care audits.
-

3. CQC Compliance and Governance

- Ensure compliance with:
 - Health and Social Care Act 2008.
 - CQC Fundamental Standards.
 - Mental Capacity Act 2005.
 - Deprivation of Liberty Safeguards.
 - Health and Safety legislation.
 - Fire Safety legislation.
 - Safeguarding legislation.
 - Infection Prevention and Control requirements.
 - Maintain evidence of compliance.
 - Lead all CQC inspections and regulatory visits.
 - Ensure notifications are submitted to CQC when required.
 - Complete monthly governance audits.
 - Maintain action plans and monitor progress.
 - Ensure policies and procedures remain current and implemented.
-

4. Staffing and Human Resources

- Recruit, interview, and induct staff.
 - Ensure all recruitment complies with safer recruitment requirements.
 - Monitor DBS checks, references, and right-to-work documentation.
 - Complete probation reviews.
 - Manage absence, sickness, disciplinary, grievance, and capability procedures.
 - Conduct supervision and annual appraisals.

Document 9:- **Team Leader Job Description**

Job Purpose

The Team Leader is responsible for leading and supporting the care team on a shift-by-shift basis to ensure residents receive safe, effective, responsive, and person-centred care. The Team Leader acts as a role model for staff, ensures care is delivered in accordance with care plans and company policies, and supports the Manager in maintaining compliance with CQC regulations and the home's quality standards. The Team Leader is responsible for overseeing staff on duty, allocating work, monitoring care delivery, completing audits, and ensuring the safety, dignity, and wellbeing of all residents.

Key Responsibilities

1. Leadership and Supervision

- Lead the care team during each shift.
- Allocate duties and responsibilities to staff.
- Provide support, guidance, and supervision to care staff.
- Monitor staff performance and address poor practice immediately.
- Act as a positive role model and promote best practice.
- Conduct shift handovers and communicate important information effectively.
- Escalate concerns to senior management appropriately.

2. Resident Care

- Ensure residents receive safe, effective, compassionate, and person-centred care.

- Monitor delivery of care throughout the shift.
- Ensure care plans and risk assessments are followed.
- Respond promptly to changes in residents' health and wellbeing.
- Support staff with complex care needs where required.
- Ensure residents are treated with dignity, respect, and compassion.
- Promote independence and choice wherever possible.

3. Medication Management

- Administer medication safely if trained and competent.
- Complete medication audits and checks.
- Ensure MAR charts are completed accurately.
- Report medication errors or concerns immediately.
- Liaise with pharmacies, GPs, and healthcare professionals as required.
- Monitor medication stock levels and ordering requirements.

4. Documentation and Record Keeping

- Ensure daily records are completed accurately and contemporaneously.
- Monitor completion of:
 - o Care notes
 - o Fluid charts
 - o Food charts
 - o Repositioning charts
 - o Observation records
 - o Bowel charts
 - o Behaviour monitoring charts
 - o Incident and accident records
- Ensure records are factual, accurate, and compliant.
- Challenge and address poor record keeping immediately.

5. Safeguarding

- Ensure safeguarding concerns are identified and reported promptly.
- Follow safeguarding procedures at all times.
- Promote a culture of openness and protection.
- Support safeguarding investigations where required.
- Protect residents from abuse, neglect, discrimination, and harm.

6. Health and Safety

- Ensure safe working practices are followed.
- Monitor moving and handling practices.
- Complete environmental checks during shifts.
- Report hazards immediately.
- Ensure equipment is safe and fit for use.
- Support fire safety procedures and emergency responses.
- Ensure accident and incident forms are completed correctly.

7. Infection Prevention and Control

- Monitor infection control practices.
- Ensure staff follow hand hygiene procedures.
- Ensure PPE is available and used appropriately.

- Monitor cleanliness of the home.
- Report infection concerns immediately.

8. Staffing Responsibilities

- Ensure staffing levels are appropriate throughout the shift.
- Monitor staff attendance and punctuality.
- Provide support to new staff and agency workers.
- Assist with induction and competency assessments.
- Escalate staffing concerns to management.

9. Communication

- Maintain effective communication with:
 - o Residents
 - o Families
 - o Staff
 - o Healthcare professionals
 - o Social workers
 - o District nurses
 - o GPs
 - o Visiting professionals
- Ensure important information is communicated promptly.
- Support relatives and respond professionally to concerns.

10. Audits and Quality Assurance

- Complete delegated audits and checks.
- Monitor compliance with care plans.
- Identify areas requiring improvement.
- Support action plans and quality improvement initiatives.
- Participate in internal and external inspections.

11. Emergency Responsibilities

- Act as the senior person on shift when required.
- Respond appropriately to emergencies.
- Coordinate evacuation procedures if necessary.
- Ensure residents remain safe during incidents.
- Escalate concerns promptly to management and emergency services when required.

Additional Responsibilities

- Complete daily walkarounds of the home.
 - Check staffing allocations and resident welfare.
 - Monitor residents identified as high risk.
 - Ensure repositioning schedules are followed.
 - Ensure pressure care interventions are completed.
 - Ensure call bells are answered promptly.
 - Monitor meal times and hydration support.
 - Ensure visitors are welcomed appropriately.
 - Support end-of-life care where required.
 - Participate in the on-call rota if requested.
-

Person Specification

Essential

- Experience working within a care home environment.
- Good leadership and communication skills.
- Knowledge of safeguarding and person-centred care.
- Ability to lead and motivate staff.
- Ability to complete accurate documentation.
- Understanding of moving and handling procedures.
- Good organisational skills.

Desirable

- Medication administration training.
 - Experience supervising staff.
 - Knowledge of CQC regulations and Fundamental Standards.
-

What is the observation?

What is the observation part?

Can i give you the observation file after?

it has to be similar to this

I don't have the files now can sort it later

I'm just looking for observation, audit files and etc. If I can get it then I can put it

How quickly can you do back wnd

Ok I got more files i will send it

I need extra for policies one extra tab

Can u put policies snd the documents should say

Read and signed - once they read should be signed.

Then a report of how many have read and which policy

I want to do same for training

Can u add training

<https://futura.ai/>

Can u add this training modules

And training matrix attached

Who done which training and percentage

Of people done the training

And care planning need to change

I think we can do this
